Advisory:
• For safeguard of property ensure proper water drains, put barricades, close gas, or openings, move stocks to safe place on safe height, switch off electricity main line before leaving, secure asbestos, galvanized sheet, temporary structures properly.
• To avoid further damage to your motor vehicle, avoid driving in water logged area, where water height is above the center of the tire. In case the vehicle is submerged in water do not try to crank or push start the engine. Even one attempt can cause major damage to the engine. If water has entered the passenger compartment, do not turn the ignition "ON" that can result in short circuit in the electrical system.
